There's a difference between communicating ideas and experiencing them. It's the difference between memorizing a foreign language and thinking in one. Between studying ruins and excavating them. Between analyzing dreams and living them. The difference is *huge*. And it's the very essence of the University of Chicago Summer Session. Where students are engaged at every level—intellectually, socially, personally, and professionally. Where you can benefit from the value of taking university courses in an accelerated, intensive format. Join us this summer for an extraordinary learning experience at the academic home to 85 Nobel laureates.

FOR STUDENTS IN HIGH SCHOOL, COLLEGE, AND BEYOND.
